TUESDAY 9 AM - 4:30 PM, FRIDAY 9 AM - 1 PM, SUNDAY 9 AM - Noon

MEMBER BENEFITS

- Discount on selected plants in return for your volunteering once yearly at the nursery.
- Take part in our community plantings, member educational activities and special events.
- Join a group of volunteers who enjoy growing indigenous plants.
- Be proud to be an indigenous plant grower with others who share your values and ideals.
- Develop knowledge of indigenous plants at regular Sunday and Tuesday volunteer activities.
- Quarterly newsletter to keep up with nursery activities and other environmental issues.
- Learn how to identify and grow your own indigenous plants.
- Free identification of native or pest plants and advice on managing your backyard.
- Access to the Southern Dandenongs Community Nursery library resources.
- Provide support for SDCN educational activities with schools, landcare & friends groups.

MEMBERSHIP RATES

| | |
|------------|-------------------------|
| Individual | \$15.00 (annual) |
| Family | \$20.00 (annual) |
| Concession | \$8.00 (annual) |
| Schools | \$25.00 (once) |
| Corporate | \$150.00 (once) |

Indigenous plants are grown from seed collected by permit in the Dandenongs region from plants that have evolved to adapt to the local conditions. These plants support native fauna and enhance our landscapes. Plants grown at the nursery assist the regeneration of large areas including parks, community reserves, roadsides, remnant bushland and private land. Over 200 species are grown at SDCN including wetland plants, shrubs, trees, sedges, rushes, grasses & herbs.
